Who I Am

My name is George, a Computer Science graduate who fell in love with the space where technology meets storytelling. For over 8 years, I've been shaping ideas into high-impact visuals as a Video Editor, Motion Graphics Designer, and Photographer, turning raw footage and stills into polished, emotion-driven content.

I've collaborated with companies and creators across the globe, bringing more than 1,000 projects to life as a freelance professional. With a consistent 4.9-star rating, my work is defined by craft, reliability, and a restless curiosity for new styles, techniques, and creative challenges.
